

## Meeting at a Glance

**Washington, D.C. National Meeting, August 16-20, 2009**

### Morning

Sunday, August 16	Monday, August 17	Tuesday, August 18	Wednesday, August 19	Thursday, August 20
Advances in Analytical Chemistry for Environmental Applications  <i>Junior Ballroom 1 Marriott Metro Center</i>	Advances in Analytical Chemistry for Environmental Applications  <i>Junior Ballroom 1 Marriott Metro Center</i>	Biological Detection and Surface Sampling for Biodefense  <i>Cosponsored with AEESP and ANYL Junior Ballroom 1 Marriott Metro Center</i>	Emerging Environmental Technologies toward a Cleaner and Sustainable Society  <i>Cosponsored with GLOBAL Junior Ballroom 1 Marriott Metro Center</i>	Emerging Environmental Technologies toward a Cleaner and Sustainable Society  <i>Cosponsored with GLOBAL Junior Ballroom 1 Marriott Metro Center</i>
	Environmental Science and Technology: A Tribute to William "Bill" Glaze  <i>Cosponsored with GLOBAL Junior Ballroom 3 Marriott Metro Center</i>	International Environmental Issues: Perspectives and Concerns  <i>Cosponsored with CEI and GLOBAL Junior Ballroom 3 Marriott Metro Center</i>	Emerging Contaminants, Pharmaceuticals and Personal Care Products, and Organohalogens in Wastewater and Municipal Biosolids  <i>Cosponsored with GLOBAL Junior Ballroom 3 Marriott Metro Center</i>	Emerging Contaminants, Pharmaceuticals and Personal Care Products, and Organohalogens in Wastewater and Municipal Biosolids  <i>Cosponsored with GLOBAL Junior Ballroom 3 Marriott Metro Center</i>

### Cosponsored Symposia

New Applications of Solid Phase Adsorbents (see IEC)	Interacting with the U.S. National Science Foundation (see INOR) <i>Cosponsored by ANYL, BIOL, CATL, CHED, COMP, FLUO, FUEL, GEOC, ORGN, YCC, CARB, and GLOBAL</i>	Biogeochemical Processes of Mercury in Natural and Contaminated Environments (see GEOC)  <i>Cosponsored by GLOBAL</i>		
	New Applications of Solid Phase Adsorbents (see IEC)			

## Meeting at a Glance

**Washington, D.C. National Meeting, August 16-20, 2009**

### Afternoon

Sunday, August 16	Monday, August 17	Tuesday, August 18	Wednesday, August 19	Thursday, August 20
Advances in Analytical Chemistry for Environmental Applications  <i>Junior Ballroom 1 Marriott Metro Center</i>	Advances in Analytical Chemistry for Environmental Applications  <i>Junior Ballroom 1 Marriott Metro Center</i>	Emerging Environmental Technologies toward a Cleaner and Sustainable Society <i>Cosponsored with GLOBAL Junior Ballroom 1 Marriott Metro Center</i>	Emerging Environmental Technologies toward a Cleaner and Sustainable Society <i>Cosponsored with GLOBAL Junior Ballroom 1 Marriott Metro Center</i>	Emerging Environmental Technologies toward a Cleaner and Sustainable Society <i>Cosponsored with GLOBAL Junior Ballroom 1 Marriott Metro Center</i>
	Environmental Science and Technology: A Tribute to William "Bill" Glaze  <i>Cosponsored with GLOBAL Junior Ballroom 3 Marriott Metro Center</i>	The C. Ellen Gonter Awards  <i>Cosponsored with YCC Junior Ballroom 3 Marriott Metro Center</i>	Emerging Contaminants, Pharmaceuticals and Personal Care Products, and Organohalogenes in Wastewater and Municipal Biosolids  <i>Cosponsored with GLOBAL London II Marriott Metro Center</i>	
Program Planning Subcommittee Meeting <i>London I Marriott Metro Center</i>				
Long-Range Planning Subcommittee Meeting <i>London I Marriott Metro Center</i>				
<b>Cosponsored Symposia</b>				
New Applications of Solid Phase Adsorbents  (see IEC)	New Applications of Solid Phase Adsorbents  (see IEC)	Biogeochemical Processes of Mercury in Natural and Contaminated Environments  (see GEOC)  <i>Cosponsored by GLOBAL</i>		
	Undergraduate Research Poster Session: Environmental Chemistry (see CHED) <i>Cosponsored by SOCED</i>			
	Lawrence A. Burns Memorial Symposium on Advances in Environmental Modeling of Pesticides (see AGRO)  <i>Cosponsored by GLOBAL</i>			

## Meeting at a Glance

Washington, D.C. National Meeting, August 16-20, 2009

### Evening

Sunday, March 22	Monday, March 23	Tuesday, March 24	Wednesday, March 25	Thursday, March 26
Executive Committee Meeting <i>London II</i>  <i>Marriott Metro Center</i>	Sci-Mix <i>Hall D</i>  <i>Walter E. Washington Convention Center</i>	Social and Dinner \$60  <i>Chef Geoff's Downtown</i> <i>1301 Pennsylvania Ave NW</i>	Poster Session General Papers Advances in Analytical Chemistry for Environmental Applications Environmental Science and Technology: A Tribute to William "Bill" Glaze Emerging Environmental Technologies toward a Cleaner and Sustainable Society  Emerging Contaminants, Pharmaceuticals and Personal Care Products, and Organohalogenes in Wastewater and Municipal Biosolids <i>Hall D</i> <i>Walter E. Washington Convention Center</i>	

### Cosponsored Symposia

	<i>Crude: The Incredible Journey of Oil</i> Documentary Film Screening and Discussion (see CEI) Cosponsored by FUEL, GEOC, IEC, and PETR	Biogeochemical Processes of Mercury in Natural and Contaminated Environments (see GEOC) Cosponsored by GLOBAL
