Jurgen:

Dion and I would like you to put for vote raising travel funds for each program chair from \$2000 to \$4000 per year. About \$3000 of the funds should cover full expenses of one of the national meetings including registration, travel, accommodation for 6 days. The other \$1000 should pay for some of the expenses to attend the second national meeting. As you know we need to attend the two meeting to help us plan and currently the \$2000 does not even cover the expenses of one meeting over 6 days period.
