

American Chemical Society
Division of Environmental Chemistry
Student Awards Committee

Fall Meeting 1997

1. The 1998 announcements for the *Environmental Chemistry Graduate Student Award* and the *Graduate Student Paper Award* are being developed. I am still interested in getting an updated mailing list from somebody so that we can reach the maximum number of people. Applications will be mailed in late September or early October.

2. The following students will be honored by the division as winners of the 1997 Graduate Student Paper Award during the division dinner and the student awards symposium.

Michelle Scherer
Weilin Huang
Diane Wagrowski
Ching-Hua Huang
Tohren Kibbey
