

**American Chemical Society  
Division of Environmental Chemistry  
Student Awards Committee**

**Fall Meeting 2002**

1. There were 10 applicants for the Graduate Student Paper Award. Manuscripts were sent out for review in January. Thanks to the following reviewers: Pamela Rice, Sadika Baladi, Jody Wireman, Kevin Johnson, and Andrew Jackson.

Each manuscript received at least 2 reviews. Based on the average scores and reviewer comments, I sent letters to Qingguo Huang, Jay Hoskins, Adam Wanekaya, Seok-Young Oh, and Nikos Melitas indicating that they were the 2002 winners. The Award Symposium is scheduled for Tuesday afternoon followed by the Division dinner at which the award presentations will be made.

2. The 2003 award announcements will be mailed in September.
