

AMERICAN CHEMICAL SOCIETY
DIVISION OF ENVIRONMENTAL CHEMISTRY

MINUTES
Divisional Business Meeting
September 8, 1986
Anaheim, California

Chairman J. Donald Johnson called the meeting to order at 5:00 p.m.

Don welcomed everyone and encouraged everyone present to become more active in the activities of the Division.

Old Business

Gordon Bellen presented the Secretary's report highlighting the activities of the Executive Committee during 1986. A motion was passed to accept the Secretary's report.

Moved Fran Estes
Seconded Fred Wilkes

Clarence Haile summarized the 1986 Treasurer's Report highlighting the continued financial strength of the Division. A motion to accept the report passed.

Moved Fred Wilkes
Seconded Don Johnson

Don Johnson continued the meeting with discussion of Division highlights for 1986 and plans for 1987. Division funds have been allocated for student awards. The funds are used to pay one year subscriptions to ES&T for outstanding students in environmental chemistry programs. A second student award helps defray travel costs for presentation of award winning papers at national meetings. Ronald Hites has responsibility for the student awards program in 1987.

Ann Keller reported on plans for the Division dinner and was thanked for her efforts by Don Johnson.

Fred Wilkes reported that the one year free Division membership for new ACS members has been a success so far. The Division is experiencing a 23 percent retention of these new members. The Division will continue to participate with this program in 1987.

New Business

A motion was passed for the Division to support the publication of the proceedings of the Biotechnology Secretariat. No financial support from the Division is required.

Moved Gordon Bellen
Seconded Fran Estes

A motion to adjourn passed.
